

## 25 X 30 X 17

### Specifications

|                       |                                     |
|-----------------------|-------------------------------------|
| Raw Material          | Polymer                             |
| Hinge                 | 2 Pieces                            |
| Ingress Protection    | IP65                                |
| Impact Protection     | IK08                                |
| Gasket                | Silicon                             |
| IEC Protection Class  | Class II                            |
| Fire Resistance       | B2/E (Can change to A1, A2, B1, V0) |
| UC Resistance         | Yes                                 |
| Humidity Resistance   | Yes                                 |
| Chemical Resistance   | Acid and Base                       |
| Corrosion Resistance  | Adverse Weather Conditions          |
| Colour                | RAL 7035                            |
| Dimensions and Weight | 250 x 300 x 170 mm / 3,53 kg        |
| Box Quantity          | 4 Pieces                            |

### IP65 IK08

### Description

Polyester Electric Distribution Boards

*Complied Standards:*  
EN 61439  
EN 60670-1  
EN 62208  
TS EN 60671-1

### Applications

- Transformer Load Boards
- Compensation Boards
- Distribution Boards
- Network Generator
- Automation Panels
- Control Panels
